

# MEDICATION AIDE

## PHM 4100

### **MEDICATION AIDE COURSE DESCRIPTION**

Registration Cost: \$70

This course is designed to meet the training requirements for becoming qualified as a Medication Aide. The course covers the six rights of medication administration for non-licensed personnel. Topics include medication administration via the oral, topical and instillation routes, medical asepsis, hand hygiene, terminology, and legal implications.

Upon completion, students should be able to take the competency exam and demonstrate skills necessary to qualify for listing on the North Carolina Medication Aide Registry.
