

Final Report on CARES Act Funding for Student Relief Received by Rockingham Community College

Date of Report: Oct. 9, 2020

In compliance with requirements of the CARES Act, Rockingham Community College submits the following report:

1. Acknowledgement

Rockingham Community College acknowledges that it signed and returned to the U.S. Department of Education the Certification and Agreement for Emergency Financial Aid Grants to Students under the Coronavirus Aid, Relief, and Economic Security (CARES) Act and assures that it intends to use no less than 50 percent of the funds received under Section 18004(a)(1) of the CARES Act to provide emergency financial aid grants to students.

2. Amount of Funds Received

Rockingham Community College has received \$466,857 from the U.S. Department of Education pursuant to the institution's Certification and Agreement for Emergency Financial Aid Grants to Students.

3. Total amount of Emergency Financial Aid Grants distributed to students

As of Oct. 9, 2020, the total amount of Emergency Financial Aid Grants which Rockingham Community College has distributed to students under Section 18004(a)(1) of the CARES Act is \$ 466,857. **Since all the funds received under this section have been distributed, this report will be the final report issued.**

4. Estimated Number of Eligible Students

Rockingham Community College estimates that the total number of RCC students eligible to participate in programs under Section 484 in Title IV of the Higher Education Act of 1965 and thus eligible to receive Emergency Financial Aid Grants to students under Section 18004(a)(1) of the CARES Act is 1,067, based on all potentially eligible students completing a FAFSA.

5. Number of Students Receiving Grants

As of Oct. 9, 2020, 458 Rockingham Community College students have received an Emergency Financial Aid Grant to students under Section 18004(a)(1) of the CARES Act.

6. Method Used to Determine Which Students Received Grants and Amounts

Rockingham Community College used the following method to determine which students receive Emergency Financial Aid Grants and how much they would receive under Section 18004(a)(1) of the CARES Act:

RCC senior administrators and enrollment and financial aid directors met in late April to determine which students would receive grants and the amounts given. The group

reviewed guidelines from the Department of Education and determined that funds would be given to students 1) enrolled in a curriculum program (not completely online) at RCC on March 13, 2020, 2) have a high school diploma or GED equivalency, 3) submitted a valid FAFSA application, and 4) were impacted by COVID-19. The college required applicants for the funds to complete a short application, which is included below.

The following funding scenario was developed:

RCC chose to use an enrollment intensity model using credit hour ranges of 1-4, 5-7, 8-11, and 12+ hours. A minimum distribution amount of \$230 to cover the tuition for at least one 3-hour course was established with a maximum award amount of \$960 for those taking 12 or more hours.

7. Instructions to Students

Rockingham Community College provided the following instructions, directions, and guidance to students concerning the Emergency Financial Aid Grants:

On April 29, 2020, RCC's Financial Aid Office sent an e-mail (see below for full text) to eligible students, informing them of the availability of funds and of an initial application deadline of May 11; June 5 was set as a second deadline.

The college's Public Information Office took the following actions:

A yellow announcement bar was placed across every page on the RCC website and the online student information portal, Self-Service, announcing the deadline to apply and containing a link to the application. On April 30, 2020, a news story was posted on the website, [Students: Apply for emergency relief funds by May 11](#), with a follow-up story on May 12, [\\$150k in Emergency Relief Funds awarded to students; \\$350k still available](#). Both stories were distributed to local media outlets. They were also shared on RCC's Facebook, Twitter and Instagram pages. Links to the stories were also posted on the RCC Cares page, which contains COVID-19 information and updates. Invitations to apply for the funds have been posted across social media on several occasions.
