Free classes for 2 years at RCC

From the President's Desk

Great news! Eligible 2020, 2021, and 2022 high school graduates can attend Rockingham Community College for free. For students applying for the fall semester, the **North Carolina Longleaf Commitment Grant** will provide up to \$1,400 per semester for four semesters. The funds can be used for RCC tuition, fees, and books.

This is a great opportunity to begin your educational journey. RCC has programs in nursing, business, computers, cosmetology, criminal justice, education, welding, machining, and industrial technologies. You may also choose to earn one of our two-year transfer degrees and complete your program at a 4-year college or university. There has never been a better time to attend Rockingham Community College.

Eligibility requirements for the North Carolina Longleaf Commitment Grant:

- **Graduate from a North Carolina high school or homeschool in 2020, 2021, or 2022.** Students who complete GED, HiSET, or Adult High School are also eligible.
- **Be a North Carolina resident.**
- **Be a first-time college student.** Students who took courses while in high school (Career & College Promise or Early College), and have not taken a college course since graduating from high school are also eligible.
- **Enroll in a curriculum program during the 2022-2023 academic year.**
- **Enroll in at least six (6) credit hours per semester.**
- **Complete the Free Application for Federal Student Aid (FAFSA).** To receive an EFC and determine financial aid eligibility, submit a FAFSA at studentaid.gov.
- **Have an Expected Family Contribution (EFC) from \$0 – \$15,000.** EFC is based upon a student's FAFSA determination.

For students wishing to earn a short-term workforce certification, we offer the Eagle Train and Gain Scholarship. The **Eagle Train and Gain Scholarship** is sponsored by the Rockingham Community College Foundation. The scholarship covers \$180 of the registration fee for eligible 96-hour workforce development programs - see page 11 for the program listing. This scholarship is open to in-state and out-of-state continuing education students.

Please call our Admissions Office for more information: 336-3342-4261, ext. 2333.

We hope you will join us at RCC this Fall!

Dr. Mark O. Kinlaw
President

EMS 110 prepares students
to earn certification required to work as an EMT.

WHAT CAN I STUDY AT RCC?

COLLEGE TRANSFER PROGRAMS

Associate Degree

RCC's associate degrees are designed for students wishing to transfer to a four-year university, and represent completion of approximately half of a bachelors degree program. The degrees require about 60 semester hours and can typically be completed within two years by full-time students.

CAREER & TECHNICAL PROGRAMS

Associate in Applied Science (AAS Degree)

These degrees provide extensive entry-level employment training in professional fields. AAS degrees range from 64 to 76 semester hours and can typically be completed within two years by full-time students.

Diploma

Diploma programs provide entry-level employment training in fields that require less extensive training than an AAS degree. These programs range from 36 to 48 semester hours and can usually be completed by full-time students within two semesters and one summer session.

Certificate

A certificate provides entry-level employment skills and is often a way to get specific training in an area related to a diploma or AAS degree. These programs range from 12 to 18 semester hours and can usually be completed within one semester.

WORKFORCE DEVELOPMENT

RCC offers numerous continuing education, short-term workforce development programs that lead to employment. Check out the courses and programs in this book, and be sure to review the ones for which scholarships are available (page 11).

WELCOME TO COLLEGE AND CAREER READINESS!

Rockingham Community College offers **FREE** classes to help you meet your academic and work-readiness goals through:

- ➔ High School Equivalency (HiSET®/GED®)
- ➔ Adult High School
- ➔ English Language Acquisition (formerly ESL)

ADULT HIGH SCHOOL

This tuition-free program helps qualifying adults complete a high school diploma through individualized instruction. Students must pass required high school level courses and students are awarded credit for previously completed high school courses. Interested individuals should call 336-342-4261 ext. 2146 to schedule a transcript evaluation appointment.

ADULT BASIC EDUCATION AND HIGH SCHOOL EQUIVALENCY

Many students in our program are preparing to take an exam such as HiSET® or GED®, to earn a high school equivalency credential. Other students may have already completed a high school credential, but are improving their reading and math skills to be more competitive in the workforce or more successful in college courses.

Classes run year-round at RCC face-to-face, online, or virtually

New students start by attending a two-day orientation session at RCC

Call 336-342-4261 ext. 2146 to schedule your orientation and get started!

ENGLISH LANGUAGE ACQUISITION (FORMERLY ESL)

These free classes are designed for adults whose native language is not English. Students improve their English speaking, reading, listening and writing skills. Classes are offered throughout the year. Distance learning programs are also available. New students must attend an orientation session. To enroll, call 336-342-4261 ext. 2146 or email ESL@rockinghamcc.edu.

Estas clases gratuitas están diseñadas para adultos cuyo idioma nativo no es el inglés. Los estudiantes mejoran sus habilidades para hablar, leer, escuchar y escribir en inglés. Las clases se ofrecen durante todo el año. Programas de educación a distancia también están disponibles. Los nuevos estudiantes deben asistir a una sesión de orientación. Para inscribirse, llame al 336-342-4261 ext. 2146 o correo electrónico ESL@rockinghamcc.edu.

DON'T FORGET THE DETAILS!

CHANGE IN TUITION AND FEES

The NC General Assembly sets tuition rates for most Continuing Education classes. Tuition is subject to change at any time. Fees are established by RCC Board of Trustees, state legislative action, and/or the North Carolina Community College System Board and are also subject to change.

CANCELLATION AND REFUND POLICY

The College reserves the right to cancel a class due to lack of enrollment. In this case, pre-registered/pre-paid students will be issued a full refund. Pre-registered/pre-paid students who officially withdraw from a course prior to its beginning will be issued a full refund. A student who officially withdraws from the class on or after the first day of classes but prior to or on the official 10% point of the semester will receive a 75% refund. Participants who withdraw from a course after the 10% point are ineligible for a refund. Class schedules are subject to change, without prior notification, due to instructor or classroom availability. For further information concerning courses, call 336-342-4261 ext. 2011, Monday - Thursday 8 a.m. - 5 p.m. and Friday 8 a.m. - 3 p.m.

THIRD PARTY BILLING

Some students have their Continuing Education registration fees and supply costs paid by their employer or a third party. If a company is to be billed for a student's registration, books and/or fees, please contact the Business Office to complete the required Sponsorship Agreement Form. Phone: 336-342-4261 ext. 2184.

TRANSCRIPTS

Transcripts may be requested using the National Student Clearinghouse Transcript Ordering Service for a \$5 fee per transcript (and additional third-party processing fee applies for electronic PDF transcripts). Visit www.rockinghamcc.edu and click on Transcripts – Official Transcripts to access link to the Transcript Service. Unofficial transcripts can be accessed through Self-Service (Academics tab); all students have access to Self-Service through RCC website.

RCC BOOKSTORE

The bookstore is located in the Whitcomb Student Center. Phone: 336-342-4261 ext. 2261.

INCLEMENT WEATHER

In the event of inclement weather, please check local television or radio stations. College personnel make every attempt to notify students of closings or cancellations. It is highly recommended that all students join Eagle Alerts:
